

Pupil Premium

Pupil premium is a Government grant given in addition to main school funding. It is allocated to children from low income families who are currently known to be eligible for Free School Meals (FSM) and children who have been looked after continuously for more than six months.

Schools decide how to use the funding, as they are best placed to assess what additional provision their pupils need.

The percentage of Spring Grove Pupils eligible for the Pupil Premium, as calculated over the last six years, is 9%. The current percentage of pupils eligible for Pupil Premium is approximately 5%.

Use of Pupil Premium Funding 2016-2017

Number of pupils & pupil grant (PPG) received			
Total Number of pupils on roll	295		
Total number of pupils eligible for PPG	14		
Amount of PPG received per pupil	£1.320		
Total amount of PPG received	£46,780.00		
Summary of PPG spending 2016- 2017			
<u>Objectives of Spending PPG</u>			
Pupil Premium expenditure has been aimed at raising attainment for key pupils by supporting their emotional stability, improving their basic skills, enriching their educational experience and developing their confidence and self- esteem.			
Record of PPG spending by item/project 2016-2017			
Item/Project	Objectives	Cost	Impact measures
