

# Spring Grove Primary School

Headteacher: Ms Maureen Buckby

28<sup>th</sup> April 2017

## Parents Newsletter 12

Dear Parents,

**Welcome** to the summer term of 2017. The children have returned from the spring break with great energy and enthusiasm. Children and staff are working very hard and well. Thank you for all the support you continue to offer from home.

A huge well done and thank you to children, staff, parents and families who have all contributed to the fantastic success of the FOSGS Sponsored Spell. At the start of term we had raised £2,400 and more money has come in since then. May I encourage you to send in any remaining sponsored money by Tuesday of next week please and then we can give you a grand total and present certificates to celebrate the success of the event. FOSGS will be giving information about what they plan to spend the money on at a later stage. Many thanks again to everyone for their generosity and energy with this project. Well done to all the children for working hard at learning those spellings!

**Year 6 and Year 2** will begin their SATs over the coming weeks. Please ensure that your child is going to bed at a reasonable time, sleeping well, eating a good breakfast before school in the morning and reading and talking to you as much as possible. Year 6 children should avoid any absences during the SATs week – if your child is ill during the week beginning 8th May, please call the school around 8am so that we can discuss how they may still be able to access their SAT paper. Thank you for your support with this. We want the children to do as well as possible as they have worked incredibly hard over the years.

We continue to focus on all aspects of **safeguarding** within the school. Certain year groups have looked at or will be looking at road safety, all children receive regular reminders and have discussions about how to stay safe on-line and we will soon have a visit from the NSPCC to talk about keeping yourself safe from potential dangers. There will also be a **parents meeting run by the NSPCC on Tuesday 2<sup>nd</sup> May and Friday 19<sup>th</sup> May at 9.00am** and we hope lots of you are able to attend. There are many elements of safety to consider and children need to learn lots about how to keep themselves and others safe.

There are **many exciting trips, events and special days** happening this term. Dates and details will follow, please keep a note of all dates as they come to you.

Please remember that the **school will be closed on Monday 1st May 2017** as this is the May Day Public Holiday for everyone. We re-open on Tuesday the 2nd May at the usual time. I hope you enjoy the long weekend with your family.

Wishing you a lovely weekend.

Yours sincerely,

Ms M. Buckby
