Newsletter 11

Dear Parents,

It was good to see a group of our **Reception parents** in school earlier this week when they came to join in with their children's Sport Impact session. The focus is on good health and exercise and how families can have fun together as well as keeping fit and healthy. If any other Reception parents would like to join this series of sessions, please chat to Ms Moore.

This week we **welcome back** Mrs Kotecha, who returns to school from maternity leave. Mrs Kotecha will be working in Reception class on Wednesday, Thursday and Friday. Mrs Nandra has chosen to reduce her working week to three days and will be in school on Monday, Tuesday and Wednesday – also in Reception class.

The week beginning Monday 12th February is **half term** and school will be closed for the week. We will be sending out any fliers that are given to us advertising holiday clubs for children. There are lots of options being run in this locality if you are looking for some activities for your children.

Thank you for your on-going support with talking homework and reading each day with your children. If you have any questions or queries about school or your children's learning please telephone, email or visit and we will be happy to chat to you. Staff are available each day before and after the school day starts and ends; if you feel you would like a longer meeting please contact the Admin Team and make an appointment. If you wish to contact any of the school's governors please leave a message with the Admin Team and they will arrange a meeting for you - your current parent governors are Mr Tahir and Mr Husain.

Thank you to the parents who returned the slip from the previous letter to offer help at the **FOSGS events** this year. If you are able to lend a hand please complete the slip below and return it to the office.

Yours sincerely,

Ms M.Buckby
