Newsletter 12

Dear Parents,

Well done and thank you to all the children and staff for working so hard this half term. Everyone has given their best and should feel proud of their achievements. The week beginning Monday 12th February is **half term** and school will be closed next week.

Thank you to the **FOSGS** Committee for their behind the scenes work organising the next set of events for families of the school to enjoy. This Friday (tomorrow) is a FOSGS **Mufti Day** when children may wear home clothes if they wish, in exchange **for £1** which will go towards FOSGS' next project. Both FOSGS and the school will be putting funds forward for a new piece of climbing equipment on the field. You will have seen that the bad weather has had a detrimental effect on our current equipment which is now out of use. We have some plans being drawn up currently with a playground design company which we will discuss with the children before finalising our choices. In addition to the Mufti Day on Friday, there will be a **cake sale** at the end of the school day on the playground at the front of the school. If the weather is bad, it will move into the school hall. If any other parents are able to offer some help at 3pm please pop into the office and leave your details or phone/email the admin team – thank you. **FOSGS are asking for your donations of cakes** to be sent into school at the start of the day on Friday please. Thank you for your generosity.

May we remind you that **nuts should not be included** in your children's packed lunches or healthy snack choices please. We have many children who are dangerously allergic to nuts and this helps us to keep them safe from harm.

London Borough of Hounslow school transport co-ordination team are looking for applicants for the roles of Mini Bus drivers and Attendants for some of the LA's children and young people at present. If you are interested in working for this department please call: 0208 583 5461 or 0208 583 5481 for more information.

In the name of **safeguarding** all of our pupils, may we remind all parents that **you must call in or email us before 9am on your child's first day of absence** from school. If your child is going to be absent for more than four days, we ask that you call or email again to give us an update on day four. Many thanks for your assistance with this. Please ensure you have let the Admin Team in school know if your **child walks to or from school alone**.

Many thanks for your continued support for the school. I wish you a very pleasant half term holiday with your children.

Yours sincerely,

Ms M.Buckby
