

Spring Grove Primary School

20th March 2018

Newsletter 14

Dear Parents,

The children and staff are having fun with the **Sponsored Maths Challenge**. We hope that you are enjoying maths together as a family at home too. Thank you, in advance, for assisting your children with the collecting of sponsorship. The funds raised will go towards our next big project which is replacing the large climbing equipment which all the children will enjoy.

This **Friday, 23rd March, FOSGS** will be hosting an **Adult Quiz Night in school at 7pm**. We hope to see lots of you there. Teams can be made up of families, friends, colleagues or just come along and we will find a team for you to join.

Parents evenings are taking place in school this week. The teachers will be keeping you up to date with your children's progress, participation and attitude to learning; as well as making suggestions for support you can give at home.

May I remind all parents and adults who collect children at the end of the day that children must not play on school equipment or go into the Arena – thank you for helping us to keep all children safe at this busy time of day. Once your children meet you after school, you are then responsible for supervising their good behaviour and adherence to school rules whilst still on site.

If your child cycles to school please ensure that he/she is wearing a suitable cycle helmet at all times. As children and adults arrive at school on cycles or scooters, all should dismount before entering the school gates. Thank you for helping to keep everyone safe from harm. We encourage all families to walk or cycle to school. However, if you drive to school please remember not to try to park or turn your vehicle outside the school gates in Star Road. This area is always busy with pedestrians and it is rare that you will find an empty parking bay there.

Term ends on Wednesday 28th March at 1.30pm with no Extended Day Care in the afternoon of the last day. The spring break then lasts until Monday 16th April. Please try to avoid any term time absence by taking any family holidays during these holiday dates – thank you. I hope you enjoy the holiday period with your children when it arrives and that we see some spring sunshine.

Yours sincerely,

Ms M.Buckby
